TROMENTS

Together we reach for the sky Searching for the best in life. Finding new friends and experiencing New fields. Always Looking towards the future. When will be life itself. Come ... Together lets relive these valuable Moments ...

Moments were special for students at middle table during 1st Lunch.

Some students found time to sneak a peak during many tests given by guidance dept.

Nice weather always draws the lunch room crowds to the outdoors for relaxation.

Students get back into the swing of school work.

New dimensions are brought by school.

Dennis Coffey seems embarrassed by previous moments.

Tammy Johnson explains to Janet Calloway, "I think it's Saturday. That's why no one is here!"

TOMORROW

Tomorrow stands before,
Vesterday mellows by time.

Some shall appeal to reason,
Others shall worship the ryhme.

Many shall gladden hearts nearby,
Some will liven the annals of time.

Thus we stand as the tomorrow of man,
And the world shall glow in its prime.

Mike Schwartz

Old friends get together to re-live moments.

The scenery at Jefferson Forest is that of many different things, everywhere you turn there is someone to watch or something to do. Students can be found doing just about everything. Each Corner of the school holds a mystery as to what is going on around it. If the topics inside get boring, a quick walk outside brings you fresh air, sunshine, and a fantastic view of the mountains. Yes, here at Jefferson Forest we are proud of our scenery. Whether it be that of utter chaos, learning, or a quiet moment of relaxation.

We may be in the country, but with a view like this who is going to knock it?

What is Happening at Forest WOW!?

"Mrs. Boswell and Mrs. Childress, are you gossiping again?"

Sharon Scudder and Ronnie Alexander model the front and back view of the T-shirts given to participants of JFHS radio show.

Jimmy Johnson and Sammie Bennett lok over new books they ordered.

Cindy Green and Ted Whalen find class amusing. Wonder what they are up to?

Elizabeth East grins as she watches Mrs. Owen feed Spanish students "Spanish food."

Patti Jones assists Jeff Bowman with his books. Jeff was one of our many athletes injured this year.

Donna Lindsey catches up on unfinished homework.

Nancy Workman refuses to acknowledge that error she just made.

Bill Burnette, Marshal Ware, Dennis Turpin, Dave Blankenship, and Keith Brockitt relax in the sun during lunch.

The Amphitheater is loved by many lunchtime people.

Lisa Tomlinson expresses a brief moment of concentration.

Harold Brown and Merle Banks take it easy.

Once again the process of learning is being practiced at Jefferson Forest. A process where the inmature ways of children are transformed into minds of responsible adults. With this yearbook many of those happy moments will live forever.

Well ... of all the nerve!

Donald Austin shows the cool side of life.

Bus 25 brings what? . . to school everyday!

School starts once again at J.F.H.S.

The clan has a meeting before school

A moment of solitude is great after a hectic day at school

Russell McDowell is skeptical about the techniques of this lady.

Steve Arthur wonders if the teacher knows what he is up to?

Jefferson Forest is no different from any other school. Just because we are small does not mean we are eliminated from the greatness of other schools in our district have accomplished. But the key to that greatness is participation and that is what Jefferson Forest does not have. It is sad to see such a beautiful school go to waste simply because the students and yes worst of all, some of the faculty do not feel Jefferson is worth their time or effort. The school has been here five years now and has gotten over its newness, especially the way some students are determined to tear it down. If you do not feel that Jefferson is a great school do not blame anybody but yourself. The school can only be as good as the people who make it up. Unfortunately my friend that includes YOU!

"What do you mean you "found" these doughnuts?" asks Sharron Scudder and Ronnie Alexander.

Todd, how many times must I tell you that you can't dunk my pigtails in the ink??

Students re-adjust to school life.

A Friendly get together or a gang fight?

Hello, World!

Hurry up and take the picture of us working so we can go back to what we were really doing!

Bobby, it is very simple -2x + 6x = 24z!!

Mr. Schleicher is amazed at the fold out his students are showing him.

What is the gang up to now?

Jimmy Stinnett and Liz East enjoy a moment together.

Students Express themselves during Halloween

One of the many strange people in our school-Anne Moody.

Is this Geronimo?

Maybe she's had too much?

For sure he's had too much.

MOMENTS Of ...

... suprizes between the lockers.

... getting used to freedom after a morning in school.

... bribing the principal with some doughnuts.

... going home!

Brad Whorley smiles after his last student has been picked up.

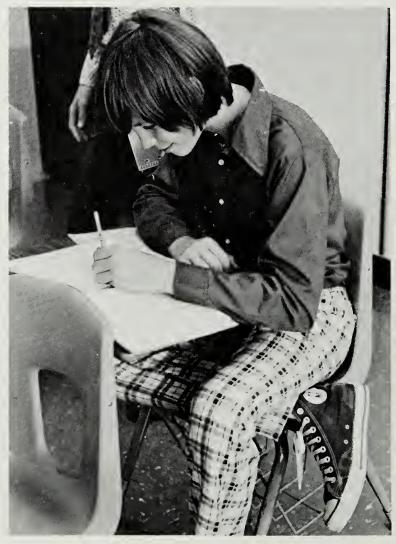

Hey, Look at me-I'm the Disco-Rilla!

Some of the many moments experienced at JFHS.

Sharon Otey is found wandering down the hall, with a Turk on her trail

Jeff Hoye comments, "It's awful hard to do homework when people are taking pictures of you.

Darlene Wood defends herself while Barbara Witt finds it all disgusting.

Here at Jefferson Forest somebody is always up to something. Whether it is studying, reading, laughing or simply having a good time, the many moments here at Forest are both enjoyable and educational. Hopefully, after the students have graduated they can look back on these pages, and re-live the "best" years of their lives.

Wanda Foster finds paperbacks more interesting than the teacher.

Chris Mears, Steve Phillips, and Warren Freeman cut up in the library.

Laverne Martin, De De Reynolds and Eddie Spinner take time for lunch.

"Come closer, Sugar!" beckons Lisa Bates.

JFHS presents THE Gong Show.

Mrs. Boswell and Mrs. Childress are Mistresses of Ceremonies.

Teachers show their physiques.

Mrs. Hicks "makin' like a dolphin".

Mr. Webber expresses his emotions in music.

Bubbles and Boom-Boom are a smash . . . Book 'em!

Captain (Sowell) and Tennille (Mrs. Owen) visit Forest.

Mr. Jones eats balanced breakfast.

Mr. (Super Chicken) Lowry struts across the stage.

Mr. Schleupner getting the point across.

Mrs. Boswell presents Mr. Murphy and Mrs. Vincent wih the winners check.

Munchkins do a little wiggle here and there.

Acts: The MaGIClan of balance (Mr. Rice); The light Fantastic (Ms. Hicks); The Captain & Tennille (Sowell & Owen); Ginny Vincent & Fred Murphy; Lemon Sisters (Ivery, Lindstrom, Owen); Balanced Breakfast (Watson, Jones); Musician & Conductor Laurence Squelch (Webber); Madcap Five (Rivdenour, Dunn, Wilson, Maddox, Vincent); Super Chicken (Lowry); Belly Dancers from Turkey (Gentry & Schleicher)

Skills, Playfulness, Challenges make the moments

Bob Bollinger challenges Pete Meadows to a duel.

Advanced P.E. trying their luck at a great pyramid.

Deedee Coleman says, "Don't look at me, I have nothing to say."

Mrs. Childress will always remember her 5th period.

STUDENTS AND FACULTY

Little do the students realize, but the administrators and secretaries do a number of things to keep the school running smoothly.

Secretaries keep track of absentee cards, money, keys, and have a wealth of knowledge concerning this school. The administrators and athletic director on the other hand, are custodians, locksmiths, gas attendants, patrolmen, schedule planners, equipment sorters and sometimes decision makers.

Although we sometimes complain about our administrators, they are only trying to keep everyone happy and safe throughout our stay at Jefferson Forestl

Mr. Witt takes a relaxing phone break.

Office Staff Carries On

Mr. Thompson pauses for a brief moment during his busy schedule.

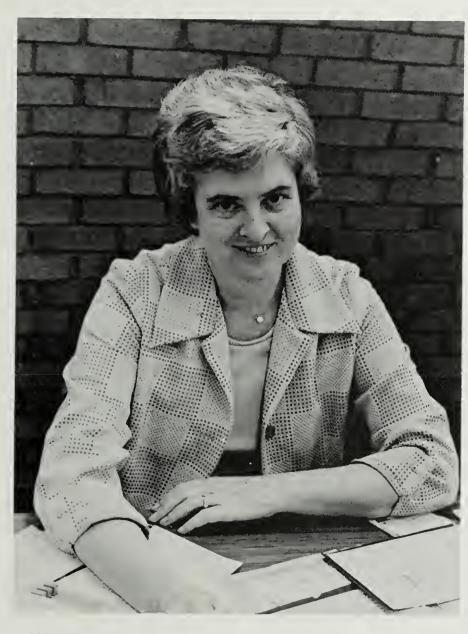

Mr. Worrell reveals a look of desperation.

Miss Patti Therman shows how a devoted secretary goes through her day.

Mrs. Goodman stays over her head in work.

Mrs. Wilma McCoy manages to smile through her heavy work.

Mr. Gentry, athletic director, observes a wrestling match.

I suppose we have all looked forward to the time when we would be seniors. It seemed so distant and obscure. But we have arrived and will soon step out to meet the world. Time has really slipped into the future.

We are the first graduating class of JFHS to attend a full five years. This is only one reason why the Class of 77 is so special. I guess it could be said that we have a bondmade from the pains we have shared as well as are beautiful moments. We do not know what the days ahead will bring, but they will be greeted with anticipation and courage. But matter what the future holds, we will not forget each other or our memories of Jefferson Forest.

Life for students is much different here from India. Most schools are co-educational here, while the reverse is true in India. Very few students own cars, but motorcycles are quite common. Boys and girls do date, but in groups of 15 to 20 since other sizes are forbidden. Despite some of the inconveniences of student life in India, it is basically good. The most important difference is that life there does not allow a student to achieve self-reliance, independence and responsibility. Mainly because parents attach themselves to their children too much and don't want to let go. But these days they are realizing that we are in a new timespan and that traditions are made to be broken and reformed. Putting aside all the traditions, parents do give one thing all humans need-LOVE.

Now that I am almost out of high school, I'm beginning to feel sad. I know that after graduation, I will probably never see some of my classmates again, and I will miss many of them very much. However, because of the knowledge I have received at this school for the past 5 years, I am looking forward to going out into the world and being on my own.

The security of high school will vanish the moment the diploma is placed in my hand. But in its place will be confidence and stability that the past five years at JFHS have given me. Alisa Riggs questions Ann Moody, "Is it working?"

The 76-77 school year has been exciting for me as a Junior. Many important events happened to us this year. We received our class rings which we will treasure with memories of the Ring Dance. We will be able to attend the Prom also. As I come to the end of my years in high school, I realize that I am leaving my best years of my life behind and the best school behind, also.

As we approach our final year in high school, we see many thoughtful faces in the halls. Faces which reflect many happy moments and memories received here at J.F.H.S. As a Junior and Editor of the yearbook, I have experienced tears and laughter, success and failure, and much knowledge learned through my mistakes. I think J.F.H. has a fine teaching staff dedicated to the success of their students, a staff any school would be proud to call their own.

he might thing that life here would be dull because of the stark white walls. After attending school here, that student will realize that life at JFHS is really colorful because of the people in the school. Perhaps the white walls were painted that way to give our minds a chance to expand unhampered by colors. At JFHS we all can expand into whatever areas we enjoy.

As a sophomore, I really like it here at Jefferson Forest. One of the best things about being a sophomore is getting your license. In the time that I've been here there have been quite a few changes. One of the major changes was the annexation, to which we lost a portion of our student body. The students lost to annexation made a dent in the regular routine of this school. Although this school is fairly new, it has potential for a fantastic future.

FRESHMEN exhibit pep and spirit in '76-'77 year.

Kelly Johnson, Pres.; Billy Spinner, Vice Pres.; Sheryl Craun, Treas.; Deanna Karnes, Reporter; Mary Vinosky, Secretary.

This year the 9th grade got off to an early start of organization. Their first class meeting ended with plans to hold a sock hop, take a class trip to skateland and have other money-making projects. Unfortunately these plans had to take a back seat to weather conditions. The sock hop was planned for after the Liberty-JF basketball game, but snow closed school for 8 days and hopelessly delayed the dance.

The members of the class of 1980 show great enthusiasm for working together on projects and helping make Jefferson Forest great. The years to come should be filled with many opportunities to grow as a class and as individuals.

The Theme of this year's Prom was Southern Nights. Many Juniors were skeptical of this theme as were some of the Seniors because of lack of decoration ideas. The Junior class really put their heads together and came up with some fantastic decoration props such as: Southern Mansion, Southern Belle, wishing well, mint julips, a swing, Gazebo (built by the shop classes), and willow trees that blew blossoms all over the gym when the fans were turned on! The Seniors were very impressed as to what the Juniors had come up with. All in all, the hard work and effort paid off in the end by it being a real "Southern Night" at Jefferson Forest.

FALL SPORTS

Low spirits cause unsuccessful season.

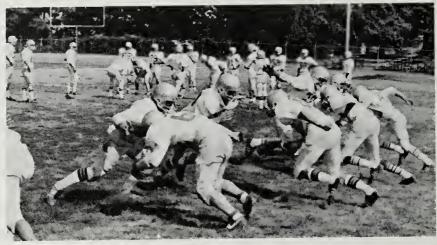

Football at Jefferson Forest has been a four year success story with each season showing improvement over the preceding year. 1976 was not to be a continuation of that story. The Cavaliers won only four games which was the school's second best year, but far from the expectations of the fans, players and coaches. Problems of every imaginable kind played a part in the lack-luster record for the junior-dominated squad of some 50 members. Injuries struck even before the first day of practice and continued right on through the season creating a different starting team each Friday night. Weather, which always plays its part in a season, was not without its effect, as the Homecoming game with rival Liberty had to be played on a Monday and the game that could have made the season a success was added to the Minutemen's win column. Team members, that traditionally have been a very hard working and cooperative group, did not find the spark from within or without to come up with those upset victories that Jefferson Forest fans have experienced in the past three years. It may be that too much was expected of the more than twenty returning lettermen, or that internal squabbles were more harmful than first believed, but it was obvious to all that the team was struggling to win. The season was not without its excitement as the team defense played to three shutouts and the offense produced big plays in Staunton River, Liberty, and Amherst games.

Players like all-district Waldo Freeman, Ed Pollard, Tim Wilson, Bobby Morris, Bob Bollinger, Thomas Jackson, Darrel Ross, T.J. Staton and Jimmy Stinnett will not be on future teams and will be missed by all. It is true that winning and losing is often a matter of inches and in 1976 the inches favored the opponents. However, there are many promising young players in the wings waiting for their chance on stage and 1977 could be their year.

Varsity Football Cheerleaders lead the way.

Pep rallies were successful this year. The pretty legs contest drove the girls wild when the muscular players strutted on the floor. Darrel Ross managed to win by the applause from the crowd. Homecoming proved to be a grand affair. First we had a parade and the Pep Club won first place with a fantastic float. Then the Senior girls challenged the Junior girls in a rough tough football game. The score was tied 12-12. Homecoming day we had another pep rally to get the guys ready for the game. The game was rained out but the dance was held and everyone had a blast. The highlight of the year came when we hopped the team bus after the last away game. Coach Styles sure was surprised!!

"Okay, guys, try to catch these little footballs!" Says Selena Calloway.

"I can yell louder than you can!" Connie Smith tells Alisa Riggs who is sleeping on the job.

"Hey, kids it's time to cheer," Sharon Otey explains.

"Should we help them cheer?" Debbie McFall asks Tammy Humphreys.

"I don't want to play with anything but with the oreo middle!" Alisa mumbles while Linda Shelton questions. her.

"Do the hustle" Cheerleaders yell to the Homecoming Pep Crowd.

"What do you mean, Brookville has roaches in their bathroom?" Selena exclaims.

Anne Moody tries to grab the crowd's attention.

"Let's leave the bag on "Pretty Legs" Ross since the best part is showing." Debbie says.

The J.V. football team enjoyed its finest season ever at JFHS with sevens wins and one tie.

The accumalation of pride, determination, and a willingness to sacrifice paid off for our J.V.'s this year. With Milton Mack, Milton Otey, Monzell Jefferson, and Alvin Spinner returning from last years team, the backfield was able to put points on the board like never before.

The team could score from almost any position on the field. Running attack was ferocious as they rounded up 268 points this year. Gary Witt, Todd Fulks, Jimmy Canady, Toby Thompson, and Alan Wagner were the men in the trenches who blocked effectively and provided the holes for our running backs. Although the J.V.'s did not have to pass much, ends Scott Barringer, Gerald Bowles, Sherwood Spinner and Mike Pollard still provided excellent blocking and passing. Sherwood Spinner scored twice.

This year's defense was probably the most aggressive and hardest hitting in the district, as most teams have found out.

Height and power are important to a good spike.

This year's varsity Volleyball team was overall strong and ambitious. We proved to be tough opponents in one of our greatest games against Liberty, fighting every inch of the way as a united team, for that victory. Appomattox and Liberty were our greatest rivals and competed as well as other seminole teams for that number one spot.

We, as a team had the ability, experience and desire to win although our confidence did not prove as high.

The final game proved to be very sad, especially for our senior members. Our loss to Amherst in the tournament left many with memories of the earlier season.

The Nelson County Victory was the beginning of the End. That night 14 young men made believers out of themselves, the school, the community and their coaches. The victory brought together team membership and school confidence.

The victory was no "Fluke", our players, out-ran, out-hustled, and out-played a team who was taller, quicker, and more talented according to those who never had confidence in us.

The victory was sweet, satisfying and somewhat sad because on that night every student, fan, player and coach finally knew that Jefferson Forest High School can play, and will play with the Best.

To sum what I am trying to say is that as I walked into the locker room after the game, the team shouted: "WE ARE TOGETHER!!"

Trying to do something different every year at pep rallies is really a hard thing. Especially when the football pep rallies take most of the new ideas that may arise. The Basketball squad this year really out-did itself with a Faculty-menwomen, basketball game, and a student sack race. Both of these ideas highlighted the pep rallies.

The sack race participants consisted of the class officers. The Junior class athletes, Mark Lester and Greg Hughes, won the exciting race against the others. The Faculty game was easily won by the women, with the winning basket being made by Shortstuff—Wendy Childress.

Extreme motivation is necessary for a good cheerleader.

The J.V. basketball cheerleading squad for the 76-77 year expressed a lot of spirit and pep. The girls were always ready to cheer at the games and pep rallies. However they were unable to complete thier season of cheering due to the energy cutback. The squad participated in the Bedford Christmas carols. The cocaptains were Janice Harris and Shelia Wright. Kathy Wilson from the Math department sponsored the girls during their exciting season.

JV Basketball for girls ended early this year due to the energy Crisis. We had a large turn-out of 17 girls to play on the team. We were all disappointed when the season was cut short.

Many of the girls plan to go to summer camps to improve their basketball skills. We are looking forward to a successful season next year because many girls will be returning. The experience gained from this year's playing will be a big help to future teams.

Varsity girls have an unfortunate season.

Although the Girls Varsity Basketball team had a losing season this year, we worked hard and had a good time at what we were doing. Participation in tryouts was pathetic, thus the team was small in numbers and we often had to rely on JV players. Our coaches, Miss Buckner and Miss Lowry, worked hard to improve the team, but injuries and team inexperience weakened us overall. With this year's experience gained by the younger players and coaches alike, hopefully next year enthusiasm and interest will increase and the season record will improve.

Cavaliers celebrate Regional win against Andrew Lewis.

Jimmy Stinnett pitched a 5 hitter, struck out 6, for his 9th win of the year. Todd Bryant had a 2 run homer with 2 out in the tip of the 7th inning to give the Cavaliers the victory. Mark Lester made the catch for the final out with a good running catch with two on and 2 outs in the bottom of the 7th inning to nail down the win for Stinnett. Bryant and Bill Burnette had 2 hits each for the Cavaliers. We had defeated Appomattox 2 to 0.

The Seminole District Tournament crown belonged to us after defeating Liberty 7 to 3 on May 21, 1977. Ray Perkins was the winning pitcher holding the Minutemen to three runs in 51/3 innings with Stinnett pitching the final 1% to save the victory for Perkins. The Cavaliers scored five runs in the first inning on three straight walks and a line double by Stinnett, plating three runs. After a walk and stolen base by Dave Blankenship, a perfect double suicide squeeze by Lester scored the other 2 runs. Joey Tomlin drove in another run in the 4th with a single and Lester scored the final run in the 7th on a throwing error. Heads up defense played an important part in the championship games, especially Mike Craig. This win made the record 16 wins and 5 losses and sent us to the Regionals in Covington.

Jimmy Stinnett started the pitching against Drewry Mason.

Regional tournament—Great defensive game Ray Perkins pitched the first six innings giving up only four hits and one run. Jimmy Stinnett pitched the last 2 innings giving up two hits and got credit for the win. The score was tied from the 2nd inning until bottom of the eighth when the Cavaliers scored to win the game. Mark Lester led off with a double, Todd Bryant bunted and was safe for a base hit, with Lester taking third. Bryant then stole second and Bill Thornton was walked. After a strike-out Bill Burnette bunted on a suicide play allowing Lester to score and win the game. The wild celebration was begun!

Saturday brought a loss to Drewry Mason for the Cavaliers. It was tough loss—too many walks. The team had 11 hits and the season ended with Jimmy Stinnett hitting his 8th home run of the year. Final record—17 wins, 6 losses. Stinnett broke 6 school records and tied 2.

JV's have a successful season.

J.F. Represented in State Track Meet

This years boys track team, although not doing as well as last year, took some members of its team to the regional and state track meets. Lawrence White, Gene Ayers, David Keyes, David Melton, and Frank Miller went to the Regional Track meet, with Lawrence White and David Spinner placing in the State. In the high jump Lawrence placed 5th and David did an outstanding performance to place 2nd in the intermediate hurdles. Coach Yudowitch was proud of his team and looking forward to next years competition.

The girls track team had an exciting season this year by downing rival Brookville but suffered a loss to Liberty. Overall the meets were fantastic with spirit and determination that was greatly needed and rewardingly paid off in the District, Regional, and State Track Meets. Our 440 Relay team consisting of J. Calloway, S. Calloway, S. Otey, and J. Spinner went to the state meet although they did not place. Margie Lee and Jo Ann Spinner went to Regionals for the high jump and shot put. Margie went on to place 5th in the State in the high jump. Our track teams should receive much admiration for such feats this year.

This years annual staff was hindered by lack of experience and willingness to work. It was difficult trying to train eleven people to put together a yearbook when I had had only one year of experience myself. Being Editor was no easy job.

Our Sponsor Mrs. Childress, was great in keeping up our spirits when we thought we would never complete this book. Although this book is a fall issue, hopefully you will find that it was well worth waiting for. I and my staff have worked hard using what knowledge we had about publishing a yearbook, just to give you this. Examine the book if you wish and if you have a gripe or complaint, then you can sign up for Publications and put *your* ideas on paper. But don't complain unless you put forth an effort to help!

Band and Majorettes Plan for Beach Trip

Row 1 L to R: G. Sensabaugh, J. Rosser, J. Hollandsworth, R. Floyd, J. Seagle, D. Coleman, H. Witt, L. Bates, J. Floyd, S. Creasy. Row 2 L to R: H. McDowell, E. East, C. Wilkerson, K. Staddher, M. Watson, K. Oliver, S. Hollandsworth. Row 3 L to R: J. Davis, T. Newcomb, R. Pervis, A. Dobyns, J. Witt, M. Hargis, C. Gunnoe, S. Davis. Row 4 L to R: L. White, D. Melton, R. Spinner, C. White, M. Tinsley, D. Miller, N. Martin, M. Hargis, C. Angus, R. McDowell.

Outstanding Band Members: David Timmons, Julia Rosser, Cindy Gunnoe, David Melton, Jeffrey Hollandsworth.

The band has completed another successful year of marching and school concerts this year. We worked hard and competed in a statewide band contest, receiving the highest rating possible. Throughtout the year we sold candy and held money making projects in the hope that we could participate in the Myrtle Beach Sun & Fun Festival, June 8-11. Through the cooperation of teachers and faculty, plus the efforts of the band boosters and Mr. Moore. The marching band left for the beach on June 8.

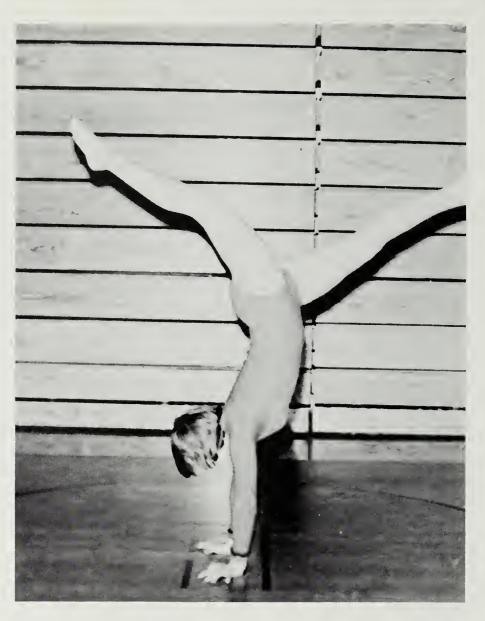

Julia Rosser

The rapidly growing sport of gymnastics is the latest addition to the JF athletic department. New equipment was purchased and intramurals began as early as September. Try-outs were held in November thus beginning a season of hard training and work.

The team was coached by Ms. Martha Hicks and consisted of two juniors: Dawn Padgett, balance beam & floor exercise; and Elizabeth East, uneven bars & vaulting; Two sophomores; Lisa Bates, uneven bars, vaulting; Nancy Workman, balance beam; three freshmen: Kelly Johnson, All Around (competed in all events); Beth Meyer, All Around; Sharron Scudder, floor exercise. The eighth grade members were Debbie Danner, uneven bars; Julie Jones, balance beam. These 2 members were unable to compete this year but will return as experienced members next year.

Jefferson Forest hosted the district meet on February 5 and four Forest gymnasts, Sharron Scudder, Beth Meyer, Kelly Johnson, and Elizabeth East, qualified for the regional meet held in Roanoke. Sharron Scudder went on to place tenth in the state meet held near Washington, D.C.

A great deal of individual as well as united effort played an important role in the success of the team. However, it could not have survived without the coaching skills and patience of Ms. Hicks.

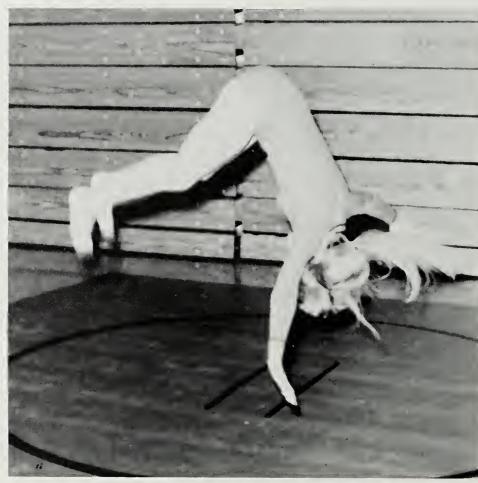

Nancy Workman likes the feeling of being on her hands.

First year Gymnasts rank high in competition.

Beth Meyer uses a cart wheel as part of her floor exercise.

Sharron Scudder feels relaxed in the air.

Row 1: J. Jones, B. Meyer, L. Bates, E. East, D. Padgett. Row 2: Ms. M. Hicks (coach), S. Scudder, K. Johnson, N. Workman, D. Danner, S. Tomlinson, R. Evans.

Dawn Padgett does her famous split.

Beth Meyer tries her luck on a "walk-over."

A Lynchburg Success Story

Since its founding in Lynchburg in 1955, First Colony Life Insurance Company has grown rapidly at a rate that has even exceeded its founders' greatest expectations.

Today First Colony ranks ahead of 90% of the more than 1,800 life insurance companies in the country in terms of life insurance in force with over \$2 billion of life insurance on its books.

Originally a local company, First Colony today serves the entire nation with a regional office in Los Angeles and an insurance subsidiary in New York. National headquarters remain in Lynchburg.
